SUMMARY

Backend Developer with 2+ years of hands-on experience in building scalable RESTful APIs using Node.js, TypeScript, Express.js, and MongoDB. Skilled in unit testing with JEST, performance testing with K6, and API documentation using Swagger. Experienced with cloud platforms (Azure Functions, Logic Apps) and basic Spring Boot development. Actively enhancing skills through backend certification programs and available as an immediate joiner for full-time backend development roles.

EXPERIENCE

Associate Software Developer | Info Origin Technologies Pvt Ltd, Gondia (Jan 2023 - April 2025)

- Developed 40+ REST APIs from scratch using Node.js (TypeScript), Express.js and MongoDB, integrated with unit testing using JEST.
- Built basic REST APIs using Spring Boot and MySQL for create/read operations.
- Created REST wrappers for existing SOAP APIs using Spring Boot.
- Created and maintained API documentation using Swagger.
- Conducted performance testing of Node.js APIs using the K6 tool, integrating test scripts into CI/CD pipelines.
- Worked with Azure services like Functions and Logic Apps.

Intern | Info Origin Technologies Pvt Ltd, Gondia (Oct 2022 - Dec 2022)

- Developed CRUD applications using AngularJS, Node.js, MySQL and MongoDB.

SKILLS

- Node.js, Express.js, TypeScript
- MongoDB, MySQL
- REST API Development, API Wrapping SOAP
- Basic Spring Boot
- Basic Git, GitHub, CI/CD
- JEST, Swagger, K6, Postman

EDUCATION

- BCA | D.B. Science College, R.T.M. Nagpur University 84.44% | 2019 - 2022
- HSC | D.B. Science College, R.T.M. Nagpur University 72% | 2018 - 2019
- SSC | S.S.M.V. (Maharashtra Board) 86.80% | 2016 - 2017

PERSONAL PROJECT

Personal Portfolio Website: (Feb 2022)

- Project URL : <https://khushbu829.github.io/MyPortfolio/>
- Project Code URL : <https://github.com/khushbu829/MyPortfolio>
- Technology Used : HTML, CSS3, Basic JavaScript

CERTIFICATIONS

- C Training offered by the Spoken Tutorial Project, IIT Bombay. (Feb 2020)
- Advanced C++ Training offered by the Spoken Tutorial Project, IIT Bombay. (July 2021)
- Node.js, Express, MongoDB & More: The Complete Bootcamp - Udemy (In Progress)
